Summary of Legislation: This bill changes the name of the Governor's Commission on Minority and Women's Business Enterprises to the Governor's Commission on Minority, Women's, and Service Disabled Veterans' Business Enterprises. The bill expands the membership of the Commission, and makes the Director of the Indiana Department of Veterans' Affairs (IDVA) a member of the Commission. The bill also specifies qualifications that a business must meet to be a service-disabled veterans' business enterprise. It requires the Commission to establish annual goals for the use of service-disabled veteran-owned businesses in state contracts.

Effective Date: July 1, 2013.

Explanation of State Expenditures: This bill expands the current Governor's Commission on Minority and Women's Business Enterprises from 17 members to 21. One of the additional members is to be the Director of the Indiana Department of Veterans' Affairs.

Currently, the Indiana Department of Administration (IDOA) provides staffing and finances the expenses of the Commission. Increasing Commission membership could increase IDOA expenditures to provide mileage, per diem, and travel reimbursement for additional members of the Commission. Increases in expenditures are expected to be small.
